HUK Athletics Team Participated in the 19th National Universities Athletics Championship

The 19th National Universities Athletics Championship took place from July 26th to 31st at Inner Mongolia Normal University. More than 3000 athletes gathered to compete, and HKU athletes also joined the games. Despite the tight schedule of no more than six events. After six days of competition, the HKU team ranked 28th along with other universities.

Samantha Lee, the only representative of the women's team, made a target of 1 minute prior to her final. Unfortunately, she ranked 4th with a time of 1:07.59. “I couldn’t break through the slight difference of half a second,” said Lee. “I worked lots of strength in the first half, resulting in a poor performance in the latter two minutes.”

Meanwhile, the men’s team also faced severe competition from various universities, eventually competing with local rival Hong Kong Baptist University for fifth place in the men’s doubles event. Sherry Cheung and Lam Ching Yuet managed to tie the score of 2:0, and team captain Tam Mei Ching secured the win with her excellent performance. When asked about their performance, Coach Fung said that they were glad to see the determination of the players and their improvement on court. “It’s not just the techniques they played, but also their way of dealing with pressure,” said Coach Fung.

HKU Badminton Team Participated in the 23rd All China University Badminton Championship

The HKU Badminton team went to Loudi city in Hunan from 17 – 25 July, 2019 to participate the 23rd All China University Badminton Championship, the largest university-level competition held in China.

The highlight of the team’s event was the match against South China University of Technology. The team’s strong single player Ng Wan Hin lost the first game of the match, but Leung Chun Hei and Tung Gim Wai successfully subdued both opponents with a score of 3:1 in the double match. The second single player Lee Kin Heng was well prepared for the tough game, but the opponent was in the end with an outstanding performance. As a result, the men’s team failed to stay in Division A and will be demoted to Division B in the coming year.

Meanwhile, mixed double pair Leung Chun Hei and Tam Mei Ching showed up in the preliminary rounds, but managed to overcome the challenges and advance to the round of 32. “This is the last time that I represent HKU in participating badminton competitions,” said Leung. “Although this result is not the most ideal one, I feel very happy. I am proud of the way they have developed and the journey is surely one of the most unforgettable ones.”

Samantha is surely one of the most unforgettable one.
